

# PROJECT POWER

Time is (big) money so arriving on site, on time is invaluable

- DOULOS APARTMENTS, 93-103 PACIFIC HIGHWAY, HORNSBY NSW

## LOGICWALL® makes a building go up and its bottom line go down

Doulos at Hornsby is marketed as ‘eight floors of stress-free living’. And with being finished 30 days ahead of schedule, AFS LOGICWALL® helped make it stress-free building.

Having evaluated various structural systems the builder settled upon LOGICWALL®. They were particularly attracted to its speed of installation and the early completion proved just how sound that decision was.

This builder also cites support from the AFS team as integral to Doulos’ very successful construction.
